## Terroir and winemaking

Clairette de Die thrives in the sunny conditions of the Drôme Valley, sheltered by the foothills of the Vercors, where it has been established as an *Appellation d'Origine Contrôlée* since 1942. The vineyard is made up of chalky clay soil and small plots, rising to some 700m above sea level.

The rarity of the *Cuvée Icône* comes from the quality of the harvested grapes, and meticulous hand-picking. The care given to the winemaking by our winemaker, and our cellar master complete this exceptional *cuvée*.

Numbered, limited edition, the *Cuvée Icône* is the quintessential of our vineyard.

This wine is vinified by the *Méthode Ancestrale*.
